

# LOVE IS...Motion Picture Trilogy

## FILM 1 LOVE IS...TWO WORLDS

THERE'S TROUBLE IN THE UNIVERSE,  
AND EARTH IS IN THE CROSSHAIRS

A Sci-Fi Musical centered around the female mayor and characters in a small, humble town versus beings from another star system, who covet—for their purposes of conquest—a rare power resource contained within an asteroid that fell to Earth millions of years ago. But in the end, they discover there is a much greater force in the universe...

LOVE IS...TWO WORLDS  
THE MOST POWERFUL FORCE  
IN THE UNIVERSE . . .

*Screenplay, Music and Lyrics  
By Valerie Martin*

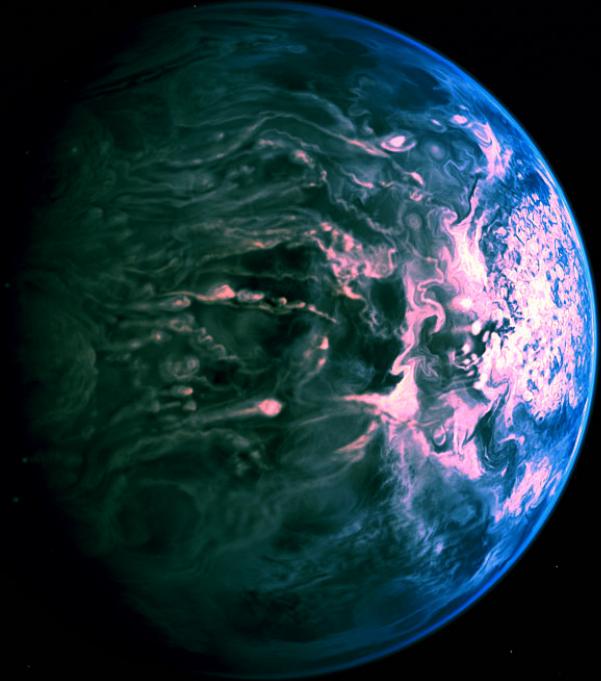

**On Earth, in the Southern rural town of Mt. Carnival, the close-knit townsfolk struggle through hard times unaware of the infinite reserve of galactic power under their town.**

**On planet Erra, a loving and peaceful civilization exists in the shadow of the evil Orion Empire – but their power reserves are almost depleted.**

**A formidable adversary with an army of ruthless outcasts prepares to conquer Earth's humans and to steal its most valuable resource.**

**But – an Astral Guardian protects Earth from invasion – and she is the Mayor of Mt Carnival.**

# LOVE IS...TWO WORLDS

A NEW Musical Genre For the 21st Century

... with an original story showing how and why alien life might exist on Earth...

... with 20 Original Songs :

- ❖ all original music driving the action in high-energy song and dance segments...

...And with a very unexpected twist at the end of the story. PG-13 content makes this a film for the whole family.

[SONG PLAYLIST](#) to listen to all the music.

Listen to 3 original songs from the 20 original songs in this movie

Early in the film Allison awakens to find she is on the planet Erra. Allison and Orthela sing this duet so Orthela can help Allison understand who she is.

## IN FORWARD MOTION

Because it's possible that Allison won't return from her mission, she sings to her husband, Daniel just before she leaves to save Earth from invasion.

## I WISH YOU LOVE

Allison admits she's afraid of the coming battle. Prince convinces her to turn that fear into power. Thelor tries to discourage her and to accept the fear as truth.

## LOVE WILL FIND A WAY

# PLUS The Game of LIFE

A Video Game Designed for Worldwide Gamers

Based on Film 1 of the LOVE IS... MOTION PICTURE TRILOGY

## PURPOSE of the Game

The purpose of The Game of Life video game is to simulate a person's journey through life, using the LOVE IS... TWO WORLDS characters as a template for the exploration of their own Life Journey.

The goal is to accumulate the most LOVE and PROSPERITY points to build a fulfilling lifestyle by the end of the game.

Players make choices regarding family, with life-changing events, and experience both successes and setbacks to determine who wins the game.

They may incorporate this Learning into projects in their own locality to make a positive difference, then expand into global teams over time to collaborate worldwide.

## SIMULATION OF LIFE

The game aims to mimic the major milestones and decisions of a person's life and relationships.

## FINANCIAL ACCUMULATION

A central objective is to accumulate the most LOVE and PROSPERITY points by the end of the game.

## MAKING DECISIONS

Players constantly make choices that impact their journey, such as choosing a safe or risky path.

## EXPERIENCING LIFE EVENTS

Players encounter various life events and "adventure spaces" in the game, which can bring fortune or misfortune.

## WINNING THE GAME

The player with the most LOVE and PROSPERITY points wins at the end of the game.

## ADAPTABILITY

Newer versions of the Game of Life will link to the second and third LOVE IS... Films in the Trilogy

**FILM 1: LOVE IS...TWO WORLDS**

**FILM 2: LOVE IS...MANY WORLDS**

**FILM 3: LOVE IS...INFINITE WORLDS**
